

New dates all set for ProWine Asia (Singapore): 10 to 13 May 2022

Singapore, 16 December 2020 - Messe Düsseldorf Asia today announced that **ProWine Asia (Singapore)** will now take place from **10 – 13 May 2022**. The 2022 edition will be held alongside **FHA-HoReCa**, organised by Informa Markets, thus providing a dynamic pairing as platforms of choice to conduct business in Southeast Asia for the wines, spirits, foodservice and hospitality portfolios.

With the move to 2022, the wines and spirits industry will have more time for recovery and be better prepared to seize new opportunities as they emerge and put themselves on track to grow and thrive post pandemic. Plans are already in motion for ProWine Asia (Singapore) 2022, and will feature a wide representation of international wine and spirit labels, an extensive scope of solutions and concepts for the region's diverse consumer markets, as well as specialised masterclasses and seminars by international industry stalwarts.

Ms Beatrice J. Ho, Project Director, Messe Düsseldorf Asia, said: "As we strive to move forward in these challenging times, we are ready to hit the reset button and deliver on our promise of a high quality business platform for our exhibitors and visitors in 2022, with a strong international flavour and enhanced components such as curated visitor itineraries and content-rich programmes."

"We believe the refreshing co-location of ProWine Asia (Singapore) with FHA-HoReCa will drive more value to the marketplace, as well as offer a robust business platform for our international exhibitors and strong regional visitor base to expand their reach, and tap into the extended line-up of foodservice and hospitality suppliers."

The ProWine Asia (Singapore) team will be in touch with all exhibitors and partners to discuss their participation needs for 2022, as well as share opportunities and potential solutions to navigate Southeast Asia's alcohol landscape.
